## CAPABILITIES STATEMENT

### ABOUT GLOBAL

Global Post Auditing Solutions is an expert at post-auditing freight payments for Fortune 100 to 1000 companies who outsource their freight payments. Our services are **risk free, contingency-based**, and can **add millions of dollars** to your bottom line with **zero work required** on your end. Global's services will maximize recovery (as high as 3% - 10% of a company's freight spend), reduce payment error patterns, and improve data dramatically so you can make confident adjustments going forward.

### WHAT MAKES US DIFFERENT

It's not enough to just maximize recovery for our clients, which is why we help "Fix" our clients error patterns by reviewing quarterly how and why errors are happening.

- Find and Fix Model
- 3% - 10% Recovery
- Contingency Based, Risk Free
- 15 Step Auditing Process
- Real Time Analytics Dashboard
- Auditors Skilled in All Modes
- Woman Business Enterprise Certified

### OUR CORE COMPETENCIES

Global Post Auditing Solutions delivers a solution that can make a difference in your freight bill payment and transportation network by executing the following:

Post-Auditing Freight Payments

Contract Negotiations of Small Parcel

Reduce Payment Error Patterns

## SUPPLIER DIVERSITY COMMITMENT

Global Post Auditing Solutions, a nationally recognized and certified Women's Business Enterprise (WBE), focuses on post-auditing freight payments for Fortune 100 to 1000 companies who outsource their freight payments. Unlike most post auditing companies, we focus all of our time and energy exclusively on post auditing – which means our clients' transportation freight savings come first.

## HOW *OUR* COMMITMENT TO SUPPLIER DIVERSITY AFFECTS *YOU*:

- Dedication to innovation of upcoming products, services and solutions.
- Demonstration of eagerness to grow business within diverse markets.
- Partnering with a diverse supplier opens doors for more opportunities that may need diversity spending.
- Incentives such as Federal, State and Local tax inducements for companies that work with woman owned businesses as suppliers.
- Secondary tax incentives given to companies that utilize woman-owned businesses that provide services to a project funded with federal or state grants or loans.
- Many large corporations command a percentage of money for specific agreements to be granted to a certified woman-owned business.
